

# We perform Your Demands

- Armatures and Measuring Instruments for Flowcontrol, Level-Indication and Pressure
- Products for Water-Supply, Waterplants, Sewage Treatment, Industry, Chemistry
- Pumps and Accessories all Brands

solutions for Flow,  
Pressure and  
Level control

# Product Review

## Pressure:

- Measuring Instruments
- Pressurized Water-Systems
- Expansion Tanks
- Pressure boiler
- Hydrophor-Vessels
- Compressed-Air-Check-Valves
- Pressure-Reducing-Valves
- Regulating Valves
- Pressure Switch
- Pressure- and Temperature- Recorder
- Pressure-Gauges-Valves
- Diaphragm-Expansion-Tanks
- Diaphragm-Gauges
- Safety-Valves for Water, Air, Stream

## Flow:

- Flowmeter
- Flowcontroller
- Flowswitch, Kalorimetric
- Flowmonitors
- Flow-Indicators
- Flow-Control-Switches
- Flowswitch, Piston actuated

- All plastic Flowmeter
- Flowmeters, Flap-Tube
- Bypass Flowmeters

## Level:

- Electrodes
- Switch Panels
- Liquid-Level-Control
- Electrodes, vertical
- Cable-Glands 1"
- Compressors for Ventilation
- Switch Panels
- Level-Indicators

- Float-Switches
- Level-Switches
- Float-Valves
- Hydrometric Instruments
- Valve-Fluid-Level-Indicators
- Boiler, Vessel, Tanks opened or closed, Steel, Stainless Steel or Plastic
- Venting-Valves
- Contact-Protection Relay
- Ball-Valves
- Stainless-steel
- Injector for Air
- Oxydators
- Solenoid-Valves
- Separators for Oil, Water
- Pumps
- Cleaning-Systems for Ponds, Pools
- Safety-Valves
- Strainer/ Dirt-traps
- Accessories für Water-Plants
- Water-Hammer-Absorber
